

Fenix 'Freedom'

... the new Fenix
Wheelchair

Carriage with Integral Loading Ramp

FENIX CARRIAGES

Lightweight, stable and sporty like the tried-and-trusted Fenix Flyer. Designed for competition, show and pleasure driving with the disabled driver in mind. Unique integral loading ramp with secure fixing points for wheelchair.

...enjoy the freedom.

A MANOEUVRABLE AND VERSATILE CARRIAGE

Safe and Secure

- Quick release adjustable wheelchair fixings.
- Simple loading system.
- Space and security for both disabled and able-bodied users.
- Handbrake and/or footbrake systems available.
- Superbly finished in a tough powder-coating to the colour of your choice.

Integral Loading Ramp

Removeable Seat

- Choice of seats to suit requirements.
- Ambulant seat fits into same runners as wheelchair fixings - which are fully adjustable.
