the fenix
**tiverton
gig**

Suitable for any size - models available for Miniature Pony to Horse.

Comfortable - luxurious, deep buttoned cushion with padded back rest. Seat and axle adjustment for perfect balance.

Superb ride - with traditional fully elliptical springs.

Plastic coated shafts - made-to-measure, finished with brass or white-metal furniture.

Swingletree - fitted as standard.

Steel or wooden wheels - with oil-sealed tapered roller bearings.

Easy to transport - completely dismantles with just 10 bolts.

Safe - our prime objective is to build carriages for people to enjoy. All Fenix carriages are proven on our own premises over the most exacting terrain possible to ensure their stability and strength. Such is our confidence with over 30 years of carriage building Fenix offers a 3 YEAR WARRANTY on all their carriages.

Extras - a back step, lamp brackets and extending axle are available on this model.
